LAURA TAYLOR SWAIN, United States District Judge:

The sentencing hearing in this case is scheduled to occur as a videoconference using the CourtCall platform on **November 17, 2020, at 9:00 a.m.** As requested, defense counsel will be given an opportunity to speak with the Defendant by telephone for fifteen minutes before the sentencing proceeding begins (i.e., at **8:45 a.m.**); defense counsel should make sure to answer the telephone number that was previously provided to Chambers at that time. (Chambers will provide counsel with a telephone number at which the interpreter can be reached at the time of the pre-conference; it is counsel's responsibility to conference the interpreter in with the Defendant for the pre-conference.)

To optimize the quality of the video feed, only the Court, the Defendant, defense counsel, and counsel for the Government will appear by video for the proceeding; all others will participate by telephone. Due to the limited capacity of the CourtCall system, only one counsel per party may participate. Co-counsel, members of the press, and the public may access the audio feed of the conference by calling **855-268-7844** and using access code **32091812#** and PIN **9921299#**.

In advance of the conference, Chambers will email the parties with further information on how to access the conference. Those participating by video will be provided a link to be pasted into their browser. **The link is non-transferrable and can be used by only one person;** further, it should be used **only** at the time of the conference because using it earlier could result in disruptions to other proceedings.

To optimize use of the CourtCall technology, all those participating by video should:

1. Use the most recent version of Firefox, Chrome, or Safari as the web browser. Do **not** use Internet Explorer.
2. Use hard-wired internet or WiFi. If using WiFi, the device should be positioned as close to the Wi-Fi router as possible to ensure a strong signal. (Weak signals may cause delays or dropped feeds.)
3. Minimize the number of others using the same WiFi router during the conference.

Further, all participants must identify themselves every time they speak, spell any proper names for the court reporter, and take care not to interrupt or speak over one another. Finally, all of those accessing the conference — whether in listen-only mode or otherwise — are reminded that recording or rebroadcasting of the proceeding is prohibited by law.

SO ORDERED.
